Because spring will come again

because they know that spring comes again

从乡下来的男人
他向前看了千步
几乎喘不过气来
堵住妻子的眼睛

A man from the countryside

He looked ahead to thousand steps

Almost out of breath

Blocking wife's eyes

A man from the countryside
He has been looking ahead of thousand steps
In trying to hold his breath,
he covers the eyes of his wife and daughter

我一直在看镜头
为了看着我自己
窥视我眼睛的男
别睡觉，他责骂

I've been watching the camera
To look at myself
The man who peeps into my eyes
Don't sleep, he scolded.

to look at myself
An observer peeping into my eyes
“Don't sleep”, he scolded

Like the smell of coffee

It was the same as the one I saw from the airplane window

still hard as stone

Uplift of laterite overflows
Like rubble of blood
The mountain of destruction
The illusion shines under the tree

Red-soil overflowingly raised
like rubble of a house is bleeding
or a mountain of scab, how majestic!
It was an illusion caused by shadow trees

云上保持着神圣
宇宙下层的约定

Holy in the clouds

The convention of the lower universe
